VOLUNTEER AND OTHER FAMILY INFORMATION

The parents of the children attending The Czech School of Atlanta are primarily responsible for the education of their children. In our opinion, this responsibility is fulfilled by involvement in the child's education, at home and as a willing participant in school activities and functions. **Each family is required to volunteer in some capacity for our school for at least 1 hour per month** (ex: reading parent, classroom parent, board member, making materials, after school events etc.)

No one can know a child better than the child's parents. Therefore, parental cooperation and suggestions are essential for maximized educational experience at The Czech School of Atlanta. Please talk to your children in Czech/Slovak often, only then will they be able to take full advantage of the education we are providing.

Punctual arrival and departure of all students is required. Continued enrollment is not guaranteed for children who consistently disrupt the classroom by arriving late.
